REQUEST FOR CORRECTION OF ERROR IN SMALL ENTITY STATUS  
UNDER 37 C.F.R. §1.28

PATENT APPLICATION  
Attorney Docket No.: 1263-00130S

The undersigned hereby requests acceptance of the deficiency payment as itemized in Appendix A attached herewith.

The patent application Appl. No. 09/981,954 (issued as U.S. Patent No. 7,197,438) was filed by the undersigned on October 18, 2001, with a proper claim to small entity status established in good faith.

Around mid-May 2010, a representative of the assignee informed the undersigned that the assignee had acquired two entities, ARC International and NXP B.V., in or around November 2009.

It is believed that the assignee's claim to small entity status is no longer viable in view of the acquisition of said two entities.

I believe that I caused the payment of the PTO fees with respect to the above-captioned patent as itemized in Appendix A through error and without deceptive intent.

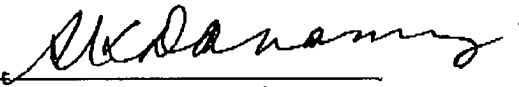

In view of the foregoing, it is believed that the requirements of 37 C.F.R. §1.28(c)(1) and (c)(2) have been met.

Please charge any additional deficiency payments to Deposit Account No. 03-1130.
